// CRI>80 and CRI>90 options available
// Options for reflectors and beam angles
// Vertical and horizontal rotation
// DALI options
// IP20

Construction

Our Multi-Track system is a three-circuit product with DALI options for mounting LED luminaires. With a large range of accessories, this is the ideal solution for accent and task lighting. The system is EN 60570 certified and can be installed directly onto ceilings and walls or suspended using the correct fixing method.

There is a wide range of spotlights to supplement the track system to offer versatile lighting solutions.

Typical Applications

Commercial Offices, Galleries, Libraries, Museums, Display Areas and Retail Units.
