### Construction

The Globe is a stylish and timeless suspended pendant that can be mounted on a track, colour matched ceiling rose or directly to the ceiling. The Globe is available in 2 sizes and colours and is perfect for creating a soft feature with maximum impact. The opal diffuser gives a warm and bright glow (3000K and 5000K options available to suit various lux levels). The versatility of this pendant and the utilised LED technology provides many control options, including dimming and emergency.
