

T-LINE MODULAR SYSTEM

Suspended Modular LED Tube System

- // Infinite configuration possibilities
- // Choice of RAL colours for joining pieces and end caps
- // Other shapes on request
- // Ceiling roses available in white or black (other RAL on request)
- // Emergency, DALI and Dimmable options
- // Tuneable White and RGBW options available
- // Casambi compatible
- // CRI>80, 50,000 Hour life
- // IP20
- // 5-year warranty
- // Made in Britain

Construction

When it comes to staying at the forefront of contemporary interior design, luminaires such as the originative T-Line shine brighter than the rest. Not only is this leading-edge lighting feature manufactured in house from superior lighting technology to ensure strong, consistent illumination but for tailored design features. The T-Line system can be made in multiple lengths and custom shapes by using our fabricated aluminium joining pieces. Cross pieces and corners can be formed to create uniform, bespoke shapes or geometric patterns to expand with your space. To further the outstanding qualities of this luminaire to match the finer details of your interior, there are tuneable white and RGBW options available.

Product Code	LED Wattage	Lumen Output	Lumen/Watt	Colour Temperature
TLE/X/1451	52W	6504	125	4000K
TLE/X/1731	65W	8130	125	4000K
TLE/X/2011	78W	9756	125	4000K

Note: See T-Line 60mm datasheet for tube lengths and wattages.

Product Code	Description
/M	3 Hour Maintained Emergency
/MZ	3 Hour Maintained DALI Emergency
/P	Presence Detection
/DALI	DALI/DSI Dimmable
/D	1-10V Dimmable
/3K	3000K LED
/5K	5000K LED
/TW	Tunable White LED
/RGBW	Colour changing LED
/9005	Black centre piece, end caps and ceiling rose
/9005/WCR	Black centre piece, end caps and white ceiling rose
/BCR	White centre piece, end caps and black ceiling rose
/BT	Casambi Wireless Network (inc DIM)

For optional features, please include the option code suffix with the product code when ordering.
