

OUR NEWEST STARS

PENDANTS BY MOUNT LIGHTING

MOUNT

Introducing a pendant range
that's light years ahead...

001

At Mount Lighting, we're never afraid to push the boundaries and explore new territory. Our new range of Pendant Lighting is a testimony to our commitment to boldly go wherever lighting design leads us.

to boldly go

This exciting range combines a world of colours, materials and textures to deliver stunning feature lights that command attention and define a room with over a dozen different styles. **Start exploring today...**
