- // IP20
- // Black, white and grey as standard with other RAL colours available upon request.
- // CRI >90
- // 5-year warranty

### Construction

Our MLE35/HEX slimline hexagon is a contemporary lighting option perfect for modern offices and design-led industrial spaces. Manufactured using 35mm x 35mm aluminium box section, which is powder coated with 3 standard colours or a RAL colour of your choice. The light source is either an 8.8W or 19.2W p/m high-density LED tape. The LED Driver is mounted remotely, and a single driver can feed several units. The slimline hexagon is great as a single pendant, but when grouped in multiples to create a geometric feature, it is breathtaking.

Product Code	LED Wattage	Lumen Output	Lumen/Watt	Colour Temp.	Size
MLE35/HEX/215	18W	1371	76	4000K	215mm
MLE35/HEX/365	35W	2742	79	4000K	365mm
MLE35/HEX/465	46W	3656	79	4000K	465mm
MLE35/HEX/515	52W	4113	79	4000K	515mm

**NOTE:** Above figures based on 19.2 w/m LED tape option
