DESIGN GUIDE FOR WORKPLACE LIGHTING

To: \_\_\_\_\_

From: \_\_\_\_\_

For creative and flexible commercial lighting solutions, architects and interior designers trust Mount Lighting.

With over 20 years of expertise and understanding of customers' end-to-end process, we work as part of your team to bring your vision to life. From designing picture-perfect lighting concepts that fit both your aesthetic and budget, to fast delivery from our UK base, we are the smart choice for workplace lighting.

Need something custom? We can tailor our stock products to create an impeccable package. And with electrical engineers on hand to solve any on-site challenges, our support goes beyond the sale.

Choose the clever option – Choose Mount Lighting.
