

T-LINE MODULAR SYSTEM

Construction

When it comes to staying at the forefront of contemporary interior design, luminaires such as the originative T-Line shine brighter than the rest. Not only is this leading-edge lighting feature manufactured in house from superior lighting technology to ensure strong, consistent illumination but for tailored design features, The T-Line system can be made in multiple lengths and custom shapes by using our fabricated aluminium joining pieces. Cross pieces and corners can be formed to create uniform, bespoke shapes or geometric patterns to expand with your space. To further the outstanding qualities of this luminaire to match the finer details of your interior, there are tuneable white and RGBW options available.

- // Infinite configuration possibilities
- // Choice of RAL colours for joining pieces and end caps
- // Other shapes on request
- // Ceiling roses available in white or black (other RAL on request)
- // Emergency, DALI and Dimmable options
- // Tuneable white and RGB options available
- // Compatible with Casambi wireless control system
- // CRI>80, 50,000h life
- // IP20
- // 5-year warranty
- // Made in Britain
