- // Integral control gear
- // 3K option available
- // Track version available
- // Dimming options
- // CRI>80
- // IP20
- // 5-year warranty

Construction

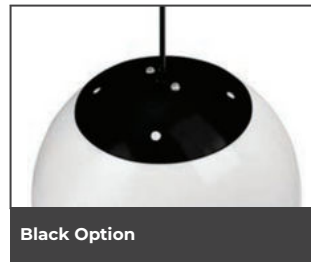

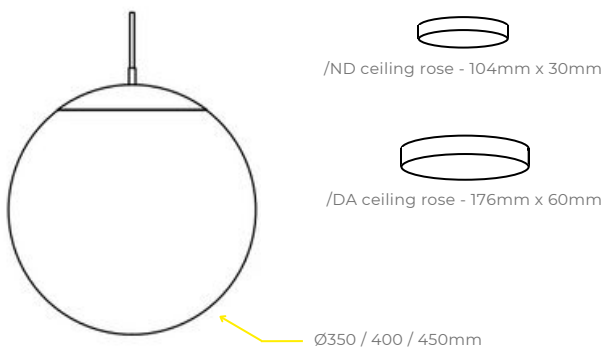

The Globe is a stylish suspended pendant that can be mounted with a track adaptor or colour-matched ceiling rose. Available in 3 sizes and 2 colours, it is perfect for creating a soft feature with maximum impact.

The acrylic opal diffuser gives a warm and bright glow (3000K option available to suit various applications). The versatility of this pendant and the utilised LED technology provides many control options.

Typical Applications

General Office Areas, Conference Rooms, Reception Areas, Educational Facilities, Retail Units, Bars, Restaurants, Hotels and Leisure Facilities.
