

## CANTURA

### Surface/Suspended Pendant Emergency Light

- // Surface/suspended luminaire with integral emergency option
- // Modelled on the Canta range
- // UGR>19 can be achieved with narrower beam angles
- // Beam angle 60° as standard
- // High-quality powder-coated aluminium
- // IP20
- // Flex length can be adjusted
- // Compatible with Casambi wireless control system
- // 5-year warranty

### Construction

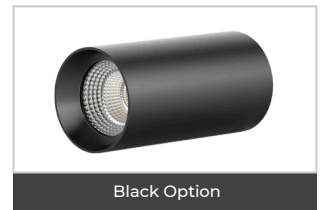

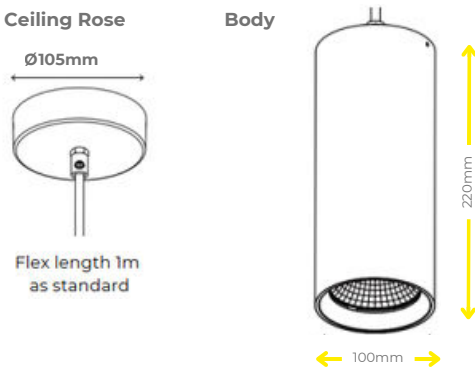

Our Cantura luminaire has been designed as a stylish option for surface or suspended applications that require an integral emergency pack, and is ideal where appearance is important.

The body is powder-coated aluminium and gives good heat dissipation. The faceted reflector has a good reflective rate.

### Typical Applications

Hospitality, Tea Points, Seating, Reception and Leisure Areas.

### Size Options
