

APOLLO

Construction

The Apollo circular suspended LED fitting is designed with 3 suspension points which can be fixed to a single point. This beautiful and graceful, yet versatile, luminaire is lightweight, with its slimline aluminium body and PMMA diffuser, plus the internal/external lighting options mean you can create a stunning chandelier style feature with the various sizes or single pendant in a RAL colour of your choice.

- // Internally and externally lit options available
- // Available in multiple rings to create custom luminaire
- // Extruded aluminium and PMMA
- // Remote electronic transformer
- // IP40
- // LED replacement with tools
- // Available in RAL colours of your choice
- // Lifetime > 50,000 hours
- // 5-year warranty

Typical Applications

Reception Areas, Breakout Spaces, Stairwells, Atriums, Boardrooms, Function Halls, Hospitality and Leisure Facilities.
