

GALAXY

High Performance Downlight

// Professional, high performance LED downlight
 // Available with a wide range of options and accessories
 // Philips SLM LED module and driver system
 // Minimalist die-cast bezel in brilliant white RAL9016
 // Low glare multi-faceted 55° aluminium reflector
 // Up to 135 luminaire lumens per total circuit Watt
 // Nominal rated life >50,000h L90
 // CIBSE TM66 Assessment - Excellent
 // MacAdam colour tolerance <3 SDCM
 // 5-year warranty

Construction

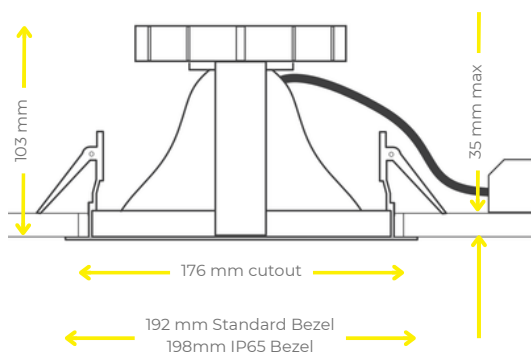

The Galaxy downlight features a discreet low profile bezel, designed to offer architects and specifiers an unobtrusive large diameter downlight that can be integrated into any application, without compromising the visual effect of the space.

It also features excellent efficiencies, a low UGR rating and long life, as well as a wide range of accessories.

Typical Applications

General Office Areas, Tea points and breakout areas, Atriums, Educations Facilities, Hotels and Leisure Facilities, Hospitality Venues and Retail Units, Kitchen and Bathroom areas.
