

LED STRIP TAPE DRIVERS

Mount Lighting offer a selection of LED drivers from the Meanwell and ELED brands providing quality solutions for LED tape. The range of drivers is equipped with various options, including dimming, dual mode constant voltage and constant current output. Various IP protection levels allow for both indoor and outdoor applications.

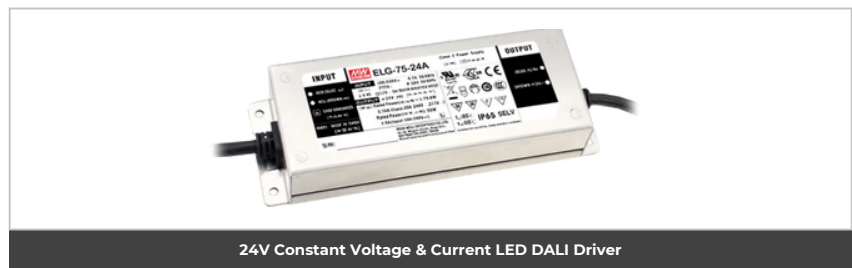

Casambi-enabled drivers for constant current and constant voltage loads are also available. Please enquire at sales@mountlighting.co.uk or call 01582 369 005.

DALI Dimmable

24V Constant Voltage & Current LED DALI Driver

- // 24V standard, 12V available
- // Various wattages available
- // Typical lifetime > 50,000hrs
- // 5-year warranty

Product Code	Function	IP
ELG-200-24DA-3Y	200W 24V Constant Voltage & Current LED DALI Driver	67
ELG-150-24DA-3Y	150W 24V Constant Voltage & Current LED DALI Driver	67
ELG-100-24DA-3Y	100W 24V Constant Voltage & Current LED DALI Driver	67
ELG-75-24DA-3Y	75W 24V Constant Voltage & Current LED DALI Driver	67

24V Constant Voltage DALI Dimmable Driver

- // 24V standard, 12V available
- // Various wattages available
- // Short circuit, over load, over current & temperature protections
- // Typical lifetime > 50,000hrs
- // 5-year warranty

Product Code	Function	IP
ELED-30-24-DP2	30W 24V Constant Voltage LED DALI Driver	20
ELED-60-24-DP2	60W 24V Constant Voltage LED DALI Driver	20
ELED-100-24-DP2	100W 24V Constant Voltage LED DALI Driver	66
ELED-150-24-DP2	150W 24V Constant Voltage LED DALI Driver	66
ELED-200-24-DP2	200W 24V Constant Voltage LED DALI Driver	66

Aluminium profiles and LED tapes are not included and can be ordered separately.

LED STRIP TAPE DRIVERS

DALI Dimmable

24V Vossloh DALI-2 Driver

- // 24V standard
- // Various wattages available
- // Typical lifetime > 50,000hrs
- // 5-year warranty

Product Code	Function	IP
EDXD-45	45W 24V DALI2 Driver	20
EDXD-80	80W 24V DALI2 Driver	20
EDXD-150	150W 24V DALI2 Driver	20
EDXD-250	250W 24V DALI2 Driver	20

Mains Dimmable

24V Constant Voltage Mains Dimmable Driver

- // 24V standard, 12V available
- // Various wattages available
- // Short circuit, over load, over current & temperature protections
- // Typical lifetime > 50,000hrs
- // 5-year warranty

Product Code	Function	IP
ELED-30P-24T	30W 24V Mains Dimmable LED Driver	20
ELED-60P-24T	60W 24V Mains Dimmable LED Driver	20
ELED-100P-24T	100W 24V Mains Dimmable LED Driver	66
ELED-150P-24T	150W 24V Mains Dimmable LED Driver	66
ELED-200P-24T	200W 24V Mains Dimmable LED Driver	66

Aluminium profiles and LED tapes are not included and can be ordered separately.

LED STRIP TAPE DRIVERS

Non-Dimmable

24V Non-Dimmable LED Driver with Fly Leads

- // 24V standard, 12V available
- // Various wattages available
- // Short circuit, over load, over current & temperature protections
- // Typical lifetime > 50,000hrs
- // 3-year warranty

Product Code	Function	IP
EPV-40P-24	40W 24V Non-Dimmable LED Driver	67
EPV-60P-24	60W 24V Non-Dimmable LED Driver	67
EPV-100P-24	100W 24V Non-Dimmable LED Driver	67

24V Non-Dimmable LED Driver with Fly Leads

24V Constant Voltage Non-Dimmable LED Driver with Fly Leads

- // 24V standard, 12V available
- // 75W - 150W available
- // Surge protection
- // Class 2 power unit
- // IP67 option
- // Typical lifetime > 50,000hrs
- // 5-year warranty

Product Code	Function	IP
XLG-75-24A	75W 24V Non-Dimmable LED Driver	67
XLG-100-24A	100W 24V Non-Dimmable LED Driver	67
XLG-150-24A	150W 24V Non-Dimmable LED Driver	67
XLG-200-24A	200W 24V Non-Dimmable LED Driver	67

24V Constant Voltage Non-Dimmable LED Driver with Fly Leads

Aluminium profiles and LED tapes are not included and can be ordered separately.
